Country View Elementary 2018 - 2019 Student Placement Information

Country View will have five (5) sections of kindergarten. The kindergarten teachers will create class lists based on a variety of information. We do not honor requests for specific teachers. If you have any information about your child's placement that you would like us to consider, please complete this (optional) form and return it to Country View by Tuesday, July 10.

The form is also available on our website. You may mail the form to us, drop it off at school, or email it to Michelle.Nummerdor@verona.k12.wi.us. You will be notified of your child's assigned teacher in late July/early August.

Parent/Guardian thoughts about placement:

- As always, requests for specific teachers will not be honored

CHILD'S NAME: _____

I have the following thoughts about my child's placement for next year:

_____
